Group Exercise Class Descriptions

Cardio Combo—A fun cardio class for guys and gals that is designed to burn calories and improve your cardio conditioning and muscle strength.

Cut and Chisel—This 30 minute strength training class for guys and gals challenges all your major muscle groups with lunges, squats, lifts and curls. Increases muscle strength, endurance and function.

Speed Shred—This 30 minute “speed” class utilizes interval training to burn fat and increase your aerobic capacity.

Zumba—A FUN workout for all ages that combines Latin American dance rhythms and cardio moves. This heart pumping program can improve cardio, muscle tone, flexibility and provide stress relief.
